

NEW for Centivo enrollees in 2024!

Get virtual urgent care right away, right from your phone.

Thanks to AT&T, you've got 24/7 access to virtual urgent care with Your Personal Healthcare Team by Included Health.

Connect to high-quality care for urgent and everyday needs.

Connect face to face with a top-rated provider from your smartphone, tablet, or computer.

Get care in as little as 5 minutes with 24/7/365 access to a network of experienced providers.

Get prescriptions sent to the pharmacy of your choice, and bloodwork and lab orders to the nearest facility.

When to get virtual urgent care:

- Cold & flu
- Mental health
- Allergies
- Skin concerns
- And more

Who can use virtual urgent care?

AT&T members who are enrolled in a Centivo plan are eligible for Virtual Urgent Care through Your Personal Healthcare Team.

How much does it cost?

Virtual visits have a \$0 co-pay. Regular cost sharing provisions (for example coinsurance) will apply for any treatments or procedures performed as a result of the expert medical opinions or for an in-person Office Visit arranged through Your Personal Healthcare Team.

How do I get started?

1. Download the Included Health app.
2. Start a virtual visit.
3. Get the care you need where you need it.

February 2024

download the app

See a doctor.
